
My Dream Destination

Think about your dream destination and find out the following information:

Where is it?

What is the best time of year to visit and why?

How long does the journey take?

What is there to see and do?

The cost of a holiday

Once you have identified your dream destination, using the internet

1. Find a tour operator who has holidays to your chosen destination
2. Look for availability for a time of year that you think is the best time to visit
3. Choose how long you would like to stay
4. Find accommodation that appeals to you
5. Cost up the holiday based on 2 Adults
6. Screenshot the information

Can you justify the choices that you made?
