

DISCOVERY COLLEGE

PART OF YMCA PLYMOUTH

Lift your career with a Supported Internship

Sport & Leisure • Hospitality • Green Space

Get an accredited qualification whilst gaining real workplace experience with a supported internship at a top local sports, leisure centre or green spaces.

This 6-12 month programme is a fantastic opportunity available to anyone aged 16-24 who has an Education Health Care Plan (EHCP).

Here for you

How does it work?

You will be given your own expert job coach helping you throughout the programme and be offered a placement opportunity at a local provider.

There will be study time at Discovery College, including working towards an accredited qualification, as well as Maths and English if required.

This study programme will last 6-months to 1-Year depending on your progress and progression plans.

You'll gain both technical knowledge and practical skills tailored to your chosen Supported Internship, while also building confidence, independence, and resilience.
